**Diving** is the main activity in Sharm el-Sheikh. When you dive into the warm water of the Red Sea and leave the remote desert behind, you will enter a world full of life and colours.

The reefs of **Tiran** and **Ras Mohammed** are known as two of the best diving-spots in the world. They can be reached by boat from Sharm within two hours. Ras Mohammed is the name of the southern most point of the

Sinai peninsula. There, the current of the Gulf of Aqaba meets the Gulf of Suez. Due to the increase of plankton in the water the amount of fish is incredible. Huge schools of Barracudas, Sharks and Murrays can be seen there every day

The resort of high quality big named [hotels](#), restaurants from around the world, [water sports](#) and [golf course](#). As well as some of the best diving and snorkeling in the world, and arguably the best in the world.

The simplicity of sun, sea and sand. The luxury of five-star hotels, water sports, shopping and entertainment. This is Sharm el-Sheikh, one of the most accessible and developed tourist resort communities on the Sinai peninsula. All around are Bedouins, colorful tents, mountains and sea.
