### NOTES

The classification points determine the rank of wrestlers from seventh place. In case of a ranking tie, they will be ranked by analysing the following criteria successively:

1. The most victories by "Fall"
2. The most match wins by superiority
3. The most technical points scored in the whole competition
4. The fewest technical points given in the whole competition

If the place of the wrestlers cannot be determined, they will be ranked equally.

### NOTES

The classification points determine the rank of wrestlers from seventh place. In case of a ranking tie, they will be ranked by analysing the following criteria successively:

1. The most victories by "Fall"
2. The most match wins by superiority
3. The most technical points scored in the whole competition
4. The fewest technical points given in the whole competition

If the place of the wrestlers cannot be determined, they will be ranked equally.

### NOTES

The classification points determine the rank of wrestlers from seventh place. In case of a ranking tie, they will be ranked by analysing the following criteria successively:

1. The most victories by "Fall"
2. The most match wins by superiority
3. The most technical points scored in the whole competition
4. The fewest technical points given in the whole competition

If the place of the wrestlers cannot be determined, they will be ranked equally.

### NOTES

The classification points determine the rank of wrestlers from seventh place. In case of a ranking tie, they will be ranked by analysing the following criteria successively:

1. The most victories by "Fall"
2. The most match wins by superiority
3. The most technical points scored in the whole competition
4. The fewest technical points given in the whole competition

If the place of the wrestlers cannot be determined, they will be ranked equally.

### NOTES

In the Nordic tournament, the wrestler with the highest number of victories will be ranked first.

In a same group, if two wrestlers have an equal number of victories, their direct match will determine the ranking.

For all the other cases with a tie between athletes, the ranking will be determined following these criteria, across the all competition:

- The highest classification points
- The highest victories by « Fall »
- The highest match victories by superiority
- The highest technical points scored
- The fewest technical points given
- The lowest draw number

### NOTES

In the Nordic tournament, the wrestler with the highest number of victories will be ranked first.

In a same group, if two wrestlers have an equal number of victories, their direct match will determine the ranking.

For all the other cases with a tie between athletes, the ranking will be determined following these criteria, across the all competition:

- The highest classification points
- The highest victories by « Fall »
- The highest match victories by superiority
- The highest technical points scored
- The fewest technical points given
- The lowest draw number

### NOTES

The classification points determine the rank of wrestlers from seventh place. In case of a ranking tie, they will be ranked by analysing the following criteria successively:

1. The most victories by "Fall"
2. The most match wins by superiority
3. The most technical points scored in the whole competition
4. The fewest technical points given in the whole competition

If the place of the wrestlers cannot be determined, they will be ranked equally.
