3.6 Competition Format

There are three styles in Youth Olympic Wrestling competition: Men's Greco-Roman, Women's Freestyle and Men's Freestyle. There are 10 men's events and five women's events in the Youth Olympic Wrestling programme.

The Greco-Roman style and the Freestyle basically differ as follows:

- In Greco-Roman Wrestling, it is strictly forbidden to grasp the opponent below the belt line, to trip him or to use the legs actively to perform any action
- In Freestyle Wrestling, however, it is permissible to grasp the legs of the opponent to trip him and to use the legs actively to perform any action
- Double nelsons are strictly forbidden in Women's Freestyle
- There are six to ten wrestlers qualified in each of the 15 weight categories
- Each weight category is completed within a single day, with the Weigh-in taking place in the morning of the competition day

The competition comprises two phases:

- Qualification Pools (groups A&B)
- Finals

The competition starts with a pool phase with two groups. The wrestler who picks the lowest draw number will be placed in group A, then the second lowest draw number will be placed in group B, and so on. A round-robin format is used within each group (the Nordic tournament system is used as the ranking criterion within each group). Ranking within the groups is used to determine the pairings for the final phase. Winners of each group will compete for the gold and silver medals; second placed wrestlers will compete for the bronze medal and fourth place; the third placed wrestlers will compete for fifth and sixth place; the fourth placed wrestlers in each group will compete for seventh and eighth place; the fifth placed wrestlers in each group will compete for ninth and tenth place. In case of a single fifth wrestler in a group, he will be ranked last of his category.

If there are less than six wrestlers in a weight category, the pool phase will be run as a single group competing in a round robin format.

Each match has two periods of two (2) minutes with a thirty (30) second break. The winner is declared by the addition of the points in both periods. Technical superiority of eight points (Greco-Roman) or 10 points (Freestyle) automatically leads to victory. For all competitions, the timing will countdown from four (4) minutes to zero (2 x 2mins) on the mat scoreboards.

A fall automatically stops the match in any period.

If after two (2) minutes, no wrestler has scored in Men's Freestyle and Women's Freestyle, the referee must obligatorily designate the passive wrestler.

3.7 Sport Rules & Procedures

A match may be won by:

- a) A fall
- b) By injury, withdrawal, default, disqualification of the opponent
- c) By technical superiority
- d) By points

In case of a tie by points the winner shall be declared by successively considering: The highest value of holds; the lowest number of cautions; and the last technical points scored.

A wrestler receiving three cautions during a match is disqualified.

Tie Break Rules

The wrestlers of each weight category will be ranked in the following manner: The number of victories determine the rank of wrestlers in each group. In a same group, if two wrestlers have an equal number of victories, their direct match will determine the ranking.

For all the other cases with a tie between athletes, the ranking will be determined following these criteria, across the all competition:

- The highest classification points
- The highest victories by « Fall »
- The highest match victories by superiority
- The highest technical points scored
- The fewest technical points given
- The lowest draw number

Direct match comparison between the two last tied wrestlers will not be used if more than two wrestlers have an equal number of victories.

Final Classification:

The final ranking is calculated based upon the result of each final match (1-2 / 3-4 / 5-6 / 7-8 / 9-10).

Penalties/Disqualification Rules

Each match should have a winner, as mentioned earlier, except in the case of a double disqualification.

Protests/Appeals

No protest may be lodged after the end of a match, only the result obtained on the mat counts.

Under no circumstances may the results of a match be modified.

During a match, a coach acting on behalf of his athlete, and with his agreement, is allowed to ask for one video replay (Challenge) on the public video board in case of disagreement with the Refereeing body. The match is interrupted during this review. In case of a positive outcome of the review, the score will be corrected and the team will retain the right to call for another challenge.

Officials

In all competitions, the technical officials for each match shall consist of the following Refereeing Body:

- One Referee
- One Judge
- One Mat chairman

Replacement of an official during a match is strictly prohibited, except in the case of a serious illness that is medically confirmed. In no case may two officials be of the same nationality. Furthermore, it is strictly forbidden for an official to officiate in matches involving compatriot wrestlers.

3.8.4 SPORT EQUIPMENT PROVIDED BY BAYOGOC

The list of Sports Equipment provided by BAYOGOC is detailed in the YOGnet's Library.

	Sport Equipment			Notes for Sport Equipment brought by NOC
	Provided by BAYOGOC	Supplier	To be brought by NOC	
Wrestling	Mats	Taishan	Wrestling SUit, Boots	

3.8.5 SPORTS EQUIPMENT POLICY

NOCs are strongly discouraged from bringing with them sport equipment that is already provided by BAYOGOC, as storage space in the YOV is limited.

Rhythmic gymnast may have their own apparatus in the YOV (ball, clubs, hoop and ribbon with stick), because there is not storage of apparatus at the venue America Pavilion.

3.8.6 HANDLING OF SPORTS EQUIPMENT

The official logistics operator for Buenos Aires 2018 is Andreani.

Sports Equipment Arrivals at the YOV

All sports equipment will be loaded onto the buses by the NOCs, and onto the trucks, when applicable, by the logistics operator at the YOV Loading Zone at the Official Ports of Entry.

Once at the YOV, NOCs will be responsible of unloading the buses, and the logistics operator will be responsible for unloading the trucks. NOCs are responsible for carrying their sports equipment not allowed at the YOV to the Logistics tent located prior to the Welcome Centre.

The hours of operation of the Logistics tent are as follows:

DATES	OPERATIONAL HOURS
30 Sept – 6 Oct	24-hours

At the tent, BAYOGOC Logistics staff will check:

- The PVC or YOAC of the person delivering the equipment or, their passport in the cases they don't have a PVC.
- The packaging of sports equipment

Once inspected, if the sports equipment is broken or damaged, the person will be asked to sign a disclaimer; if necessary, BAYOGOC Logistics will provide packing materials.

When the equipment is handed over, BAYOGOC Logistics will generate a 3-part tag stating the information of the Athlete to whom the equipment belongs. The logistics operator will then place one part on the sports equipment, give another part to the NOC, and keep the last part for its records. NOCs must keep their part of the tag to retrieve their equipment when needed. After all tagging is complete, the delegation member delivering the equipment will sign a daily control sheet as a proof of delivery.

The sports equipment will then be delivered to the appropriate venues, according to the following schedule

Reception at tent	Delivery at venue
7:00 - 12:00	13:00 - 19:00
12:00 - 16:00	17:00 - 19:00
16:00 - 7:00	7:00 - 12:00

After all tagging is complete, the delegation member delivering the equipment will sign a daily control sheet as a proof of delivery.

The sports equipment will then be delivered to the appropriate venues, according to the following schedule

BAYOGOC recommends that one representative per NOC delivers all sports equipment not allowed in YOV to the Logistics tent. This person should be able to indicate the owner of each piece of equipment.

Also, before traveling and in order to accelerate the operation at the Logistics tent, NOCs are encouraged to pre-tag their sports equipment that is not allowed into the YOV with the following information:

- Athlete's full name
- NOC
- Venue
- Sport

A template of the tag for sports equipment may be downloaded from the Freight & Luggage folder of the YOGnet's Library.

BAYOGOC will provide the transfer of sports equipment if the NOC has submitted the list of sports equipment brought as accompanying luggage to OTA.

Oversized Sport Equipment sent as Cargo

BAYOGOC suggests that NOCs liaise directly with their respective airlines to check whether their oversized sports equipment could be considered as cargo. This may apply to large items such as pole vaults, oars, etc. Given that cargo customs clearance could take 5 business days, BAYOGOC recommends sending these oversized items to Buenos Aires prior to the delegation's arrival.

The deadline to receive sports equipment cargo at YOV is 30 September to guarantee that BAYOGOC delivers it to the appropriate venue by 2 October, where Athletes may pick them up. For items arriving past this date, BAYOGOC cannot guarantee the delivery at the venue, and each NOC must claim it at the Logistics tent in YOV upon arrival. Tagging is mandatory to ensure a successful delivery at the venues.

Sports equipment must be accurately tagged from its origin in order to be identified upon arrival. If not tagged, the equipment will be stored at the Logistics tent until NOCs arrive to claim them and begin the tagging process so that the items are delivered to the correct venue.

Required tagging information:

- Athlete's full name
- NOC
- Venue
- Sport

A template of the tag for sports equipment may be downloaded from the Freight & Luggage folder of the YOGnet's Library.

NOCs must pack, tag and deliver their sports equipment to the Event Manager at each venue before departure. The tags and the schedule specifying the date and time of the collection of sports equipment at the venues will be provided at the Front Desk of the NOC Services Centre – FA Helpdesk.

NOCs may also request this information in the Logistics counter at the NOC Services Centre. Should there are any flight changes for early departures, NOCs are kindly asked to inform the BAYOGOC Logistics staff at the Logistics counter in the NOC Service Centre.

Some of the information on the tag will be pre-populated, NOCs should verify that the information on the tag is correct; if not, NOC should request changes at the Logistics counter. NOCs will need to fill the tag with the corresponding flight departure time.

All the equipment will be sent to the Logistics tent at the entrance of the YOY, where it will be sorted. NOCs must pick up their sports equipment at this point, prior to departure and proceed with their luggage and/or sports equipment to the transport loading area, where the trucks will be loaded by the logistics operators under the supervision of a member of the delegation (TO or YCM).

The deadline for the Final Entries list of participating athletes in the Youth Olympic Games Buenos Aires 2018 (sport entries deadline) is 23:59 Buenos Aires time (GMT-3) 31 August 2018.

After the sport entries deadline, where there are medical conditions preventing participation of an athlete, proven Anti-Doping Rule Violation (ADRV) or other exceptional reasons, the IOC, after consultation with the relevant International Federation (IF) and IOC medical expert (when deemed appropriate by the IOC), may authorise a permanent replacement of an athlete by another athlete only in the same sport and discipline and event.

This policy is only applicable for those sports/disciplines where the quota place has been allocated to the NOC and not to an athlete by name.

Applicable sports: Diving, Swimming, Archery, Basketball 3x3, Canoe, Cycling, Equestrian, Futsal, Golf, Gymnastics, Beach Handball, Hockey5s, Rowing, Rugby Sevens, Sailing, Shooting, Taekwondo, Triathlon, Beach Volleyball, Weightlifting and Wrestling.

The "Conditions of Participation" including the "Parental / Legal Guardian Acknowledgement of Consent for Minors" form must be completed and submitted by the relevant NOC for the replacement athlete. The NOC must submit a scanned copy of the "Conditions of Participation" electronically and bring the original, signed and stamped to Youth Olympic Village Welcome Centre – Accreditation Centre.

•The Music Submission Form will be handled by Accreditation.

The IOC and the relevant IF may make a LAR, subject to their joint consent and at their discretion. It is important to note that BAYOGOC cannot guarantee that the application will be processed and approved in time for the scheduled departure of the substituted athlete to Buenos Aires, should the replacement athlete require a PVC.

The latest a Late Athlete Replacement may occur and must complete no later than 23:59 GMT-3, 29 September 2018. In exceptional cases, LAR may occur up to the time of the first Technical Meeting for the relevant Sport/Discipline or at such other later time as the IOC and the relevant IF agrees is deemed necessary.

In such cases, the NOC must contact the YOY Welcome Centre – Accreditation Centre in order to allow for accreditation entitlements to be transferred from the withdrawn athlete to the substitute athlete (subject to the permission of the IOC as referred to above). Following the transfer, the YOAC of the substituted athlete shall be cancelled.

All documentation and queries regarding this matter should be addressed to BAYOGOC Accreditation and Sports Entries. NOCs may submit a Late Athlete Replacement Application with all relevant documentation by using the eLAR tool found in the YOMS Sport Entries module.

Applications with missing information will not be processed.

This policy is subject to further change by the IOC for exceptional circumstances.

This policy describes action to be taken by the relevant International Federation (IF), International Olympic Committee (IOC) and the Buenos Aires 2018 Youth Olympic Games Organising Committee (BAYOGOC) for the Youth Olympic Games (Buenos Aires 2018) in the event of a late reallocation of a quota place.

The deadline for the Final Entries list of participating athletes in the Buenos Aires 2018 Youth Olympic Games (sport entries deadline) is 23:59 GMT-3, 31 August 2018.

8.6 Doping Control

The International Olympic Committee (IOC) is the supreme authority of the Olympic Movement and, in particular, of the Olympic Games. Any person who belongs in any capacity to the Olympic Movement is subject to the provisions of the Olympic Charter and must comply with the decisions of the IOC.

The Olympic Charter reflects the importance that the IOC gives to the fight against doping in sport and its support for the World Anti-Doping Code (the Code) adopted by the IOC.

The IOC, as signatory to the code, has established and adopted these Anti-Doping Rules in accordance with the Code, hoping that it contributes to the fight against doping in the Olympic Movement. The Rules are complemented by other IOC and WADA documents including, among others, the International Standards.

These Rules are applied at the Summer Youth Olympic Games Buenos Aires 2018. They shall apply, without limitation, to all doping controls over which the IOC has jurisdiction in relation to the Summer Youth Olympic Games Buenos Aires 2018.

In accordance with these Rules, the IOC has delegated some of its responsibilities related to the implementation of all or part of the Doping Control in relation to the Summer Youth Olympic Games Buenos Aires 2018 to the ITA (International Testing Agency). The ITA may in turn sub-delegate the responsibility to implement all or part of the Doping Control to the Organizing Committee of the Summer Youth Games Buenos Aires 2018.

BAYOGOC will develop and update an effective test distribution plan for the Games that meets the requirements of the International Standard for Testing and Investigations. The ITA must approve and is responsible for overseeing the implementation of said test distribution plan and any subsequent changes to it.

BAYOGOC will be the exclusive provider of services for all doping control tests at the doping control stations (DCS) assigned for that purpose and will be responsible for establishing the necessary infrastructure and operational provisions to implement the Doping Control Program, including the collection, storage and transportation of samples to the WADA-accredited laboratory for the corresponding analysis.

The main objective of the technical procedures for the Doping Control Program is to plan the tests effectively and maintain the integrity, identity and privacy of the collected samples. Doping control procedures will never interfere with any Victory Ceremony.

The objectives are to preserve the dignity of Olympic sport and protect the fundamental right of athletes to participate in doping-free sport, thus promoting health, equity and equality in the competition.

For this purpose, BAYOGOC has implemented Doping Control Stations in fixed (permanent space with fixed opening and closing times to collect the assigned samples) and mobile (non-permanent space which times will adjust to collect the assigned samples) modalities that will be located at:

- Youth Olympic Village: Residential Zone

- Youth Olympic Park: located at the America Pavilion to control Boxing, Athletics, Modern Pentathlon, Gymnastics, Hockey5s, Karate, Judo, Weightlifting, Wrestling, Taekwondo, Fencing, Swimming and Diving.

- Tecnópolis Park: located at the Futsal Main Stadium to control Badminton, Futsal and Table Tennis inside Tecnópolis; and Shooting, Archery and Beach Handball in Parque Sarmiento.

- Green Park: located at Lawn Tennis Club to control Equestrian, Tennis, Beach Volleyball, Cycling and Triathlon.

- Urban Park: to control Rowing, Canoe, Climbing, DanceSport and Basketball 3x3.

- Hurlingham Club to control Golf.

- Club Náutico San Isidro to control Sailing.

- Club Atlético San Isidro Sede La Boya to control Rugby.

- Paseo de la Costa (Vicente López) to control BMX and Roller Speed Skating.

For further information on the Procedures that will be implemented for Doping Control during the Summer Youth Olympic Games Buenos Aires 2018, such as the TUE Procedure (Therapeutic Use Authorization) and the Procedure for Location of Athletes, please consult the Doping Control Guide that will be published on the YOGnet.

There will be three Media Workrooms: in Urban Park, in Tecnópolis Park and in Green Park. In addition, Media Workspaces will serve for Sarmiento Park, Club Náutico San Isidro, CASI La Boya, Vicente López and Hurlingham Club.

They will be operating from one hour prior to the start of the first competition until two hours after its completion, according to the daily competition schedule.

Media at Competition Venues

At each park and competition venue, Media will have the same working atmosphere and freedom that reigns in the Youth Olympic Games. The facilities for the Media will include:

- **Media Stand:** located at the best possible visual on the main competition arena, positions are all non-tabled. There are no exclusive positions for the press in the secondary courts, but those who need or decide to attend any of them, may do so at the areas intended for spectators. Electrical power and Wifi will be provided.

- **Mixed Zone:** as the main location for interviews with athletes.
- **Photo Positions:** located on the main competition courts, with electrical connections and exclusive access to Wi-Fi for accredited media. Photographers will be able to circulate freely in search of the best picture, as long as they do not disturb the public or other clients. Furthermore, the best possible location for photographers will be available during victory ceremonies. Access to Photo Positions will be allowed to accredited photographers wearing a photo bib and working with professional equipment. Photo bibs will be distributed by the BAYOCOG Press Operations at the MPC. Only professional photo equipment will be allowed at the Photo Positions.

Filming at the Venues

- **Filming needs:** Olympic Broadcasting Services (OBS) will only broadcast selected competitions in accordance with OBS Production Plan (the coverage may be requested by contacting OBS directly). However, NOCs may request a filming position to record competitions and training sessions of their interest. Only professional cameras will be authorized for the purpose.
- **Filming equipment and access to the venues:** 'E' accredited media working for NOCs (including NOC Press Attachés), as well as Press Attachés accredited as Team Officials may bring filming equipment. Detailed information will be provided in the News Access Rules document issued by the IOC at a later stage.

Media Facilities at the YOV

A Media Workspace will be running at the Village Square, where a Media Help Desk will assist accredited media, but will not be responsible for managing interviews. Please refer to section 6.14.5. Media Facilities at the YOV (Village Square) for more information.

- **Media Day:** organized by the BAYOCOG Media Operations team, will take place at the YOV on 10 October. Accredited media will be granted access to the Residential Zone of the YOV, providing a unique opportunity to explore day-to-day life of the YOV. BAYOCOG representatives from different functional areas will accompany and assist media during the tour.

Olympic Information Service

The Olympic Information Service (OIS) is a professional sports reporting and information service designed to keep the Olympic Family informed and help the accredited media achieve the best possible coverage of the Games.

The OIS coverage will include detailed sports reports on the competition, feature articles on the young and emerging athletes, and articles focusing on the different cultural and educational initiatives featured in the YOG.

The sports reports created by the OIS reporting team will be published on the official website of Buenos Aires which will be the primary platform for Buenos-Aires-2018-related content during the Games. All OIS sports reports will be available licence-free for republishing and editorial distribution by the media, International Federations (IFs), National Olympic Committees (NOCs) and National Federations (NFs).

There will also be an OIS Photo team which will include world-renowned sports photographers.

Images created by the OIS Photo team will accompany all YIS sports articles published on the Buenos Aires website, which will also feature a near-live photo gallery, including a curated set of the "best of the day" images.

The athlete, media, IFs, NOCs and NFs will be free to publish and redistribute the OIS images for editorial purposes on any platform. Images can be viewed and downloaded at www.oisphotos.com.

Further information on how to access the images will be made available closer to the event.

8.8 Security

Security at The Youth Olympic Village

BAYOGOC has developed a general security strategy to provide a safe environment for all participants in order to guarantee that all events and activities are held within the Youth Olympic Games principles. The Youth Olympic Village will have private security surveillance 24 hours a day, closed circuit cameras and direct communication with the Integrated Security Command Centre. Pedestrian Screening Areas (PSAs) and Vehicle Screening Areas (VSAs) will be carried out at the following entry points to further strengthen security inside the perimeter:

- Welcome Centre
- Workforce Entrance
- YOV Warehouse

Public forces will monitor outside these limits. Personnel deployed at strategic positions and a rounds system will be established in order to monitor, prevent and deter any behaviour contrary to BAYOGOC's security policies and/or national laws. In addition, there will be increased security between YOV and the nearby shopping centre.

Security at Competition and Training Venues

All parks have closed perimeters and surveillance monitored by privately-trained security guards 24 hours a day. Security screenings will be carried out at entry points for both pedestrians and vehicles to further strengthen security inside the perimeter. Public forces will monitor outside these limits.

Parks will undergo a security sweep and lockdown period prior to the Games. This will be conducted by public security agents, who specialise in searching for prohibited or dangerous items that may threaten the venue and its occupants. After these procedures, the Parks will be considered clean and locked down.

During the lockdown period, all safety and security procedures will be implemented and access control will be activated with support of security technology. Security patrols will also be in place during lockdown. Throughout this period, no individual, vehicle, or equipment can enter the Parks without an accreditation and the relevant security checks.

Security at Stand Alone Competition and Training Venues

Similar to the security at parks, all stand-alone competition and training venues will have closed perimeters and surveillance by privately-trained security guards 24 hours a day.

Pedestrian Screening Areas (PSAs) and Vehicle Screening Areas (VSAs) will be carried out at entry points to further strengthen security inside the perimeter. Public forces will monitor outside these limits.

Stand Alone competition and training venues will also undergo a security sweep and lockdown period prior to the Games.

Security and Transport Integration

Public security forces will monitor all vehicles involved in the Games by satellite. Additionally, the routes where there is a lot of flow and congestion will be identified and will have presence of public forces to create safe corridors.

In the case of incidents, the drivers and security forces will act accordingly to the case, either by producing a new route or sending support forces.

Public forces will provide security from the drop off / pick up points of transport to the entrance of the parks, in addition to the security around the official venues.

Prohibited items at venues

Private security personnel will screen individuals for prohibited items at the entry points of all venues, be it training or competition venues or YOV. For more information refer to Chefs de Mission Manual, in the YOGnet.

8.9 Focus Day

"IF Focus Day" activities are part of the International Olympic Committee's Athlete Education Programme. Each International Federation (IF), in coordination with BAYOGOC (Buenos Aires 2018 Youth Olympic Games Organising Committee) will develop different educational activities for athletes during the Youth Olympic Games Buenos Aires 2018.

It will be a great opportunity for all athletes to experience different activities outside of competition and training in the spirit of the Games. The purpose of these activities is to promote cultural exchange, new knowledge, the development of new abilities and skills for personal and career development; while inspiring athletes with the Olympic values of excellence, friendship, and respect in every educational activity organised by the International Federations.

Organisation and Activities description

The duration of each activity can range from 1 hour to the entire day. Each sport will have its own activity format, and in some cases there will be two or three Focus Day sessions for the same sport, which means that the athletes will be divided in groups so that they can participate in one of the sessions as defined by the IF.

Athletes Role Models (ARMs), star athletes chosen by the International Federations and approved by the International Olympic Committee, will take part in most Focus Day to encourage athletes to participate in the various educational proposals.

The activities are not designed for every discipline individually; thus, all athletes are expected to participate for their sport. For individual sports, a maximum of 1 Team Official per athlete is invited, and for team sports up to 2 Team Officials are invited per team.

What is an Athlete Role Model (ARM)?

The ARMs are legendary figures from the world of sport, including Olympic and world champions, who has had a successful and exemplary career on and off the field of play. Each ARM will come to Buenos Aires during the Youth Olympic Games and will provide mentorship, education and inspiration to young athletes to help enhance the value and experience of the YOG and to ensure the success of the athlete education activities. Each IF has designated ARMs as references for each sport.

In which activities will the ARM partake in:

- Attendance at training and competition sessions – Sport venues
- Sport initiation and activities – In parks with the local youth
- Sport presentation (i.e. interviews during breaks) – Sport venues
- Draw Ceremony – Sport venues
- Victory Ceremonies – Sport venues

8.11 Sport Initiation

The Buenos Aires 2018 Sport Initiation Programme is aimed to bring sport to the young athletes, local youth, youth worldwide and all the young participants of the YOG in an innovative, modern and urban approach. Activities will be staged in the four parks across the city (Green Park, Urban Park, Youth Olympic Park and Tecnópolis Park) where the sport competitions will be also hosted.

The programme will feature three different levels of participation to cater for all groups, called Sport Initiation formats (First Timers Format, Play Format and Advanced Format).

First Timers Format

It was planned for young people experiencing the different sports for the first time and who will benefit from the support of experienced instructors. At the same time, it is a great opportunity to attract children to formal sports and to observe future potentialities.

It is designed for kids between 6 and 12 years old, but anyone who wants to participate can do it. It will be located in strategic spaces called 'Sport Initiation Zones' in the four Parks, as follows:

- Beach Volleyball, Cycling, DanceSport, Polo, Equestrian, Rugby, Tennis, Triathlon, Baseball and Softball will be located in Green Park.
- Basketball 3x3, DanceSport, Parkour, Skateboarding, Roller Sports, Sport Climbing, Canoe-Kayak and Rowing will be located in Urban Park.
- Badminton, DanceSport, Futsal, Skateboarding, Table Tennis and Squash, Parque Sarmiento will host: Shooting, Archery, Beach Handball, Frontball and Golf will be located in Tecnópolis.
- Judo, Karate, Taekwondo, Fencing, Modern Pentathlon, Boxing, Wrestling, Athletics, Weightlifting, Gymnastics, Hockey and DanceSport will be located in Youth Olympic Park.
- BMX Racing and Rink Hockey will be located in 'Paseo la Costa' (Vicente López).

Play Format

This format is aimed for those visitants who just want to play and practice a sport without preliminary instructions in a friendly, recreative and casual atmosphere. There will be no instructors in this format but the sport equipment needed to run the activity will be provided under volunteers supervision.

The activities that will be available under this format are:

- Basketball 3x3 and Urban Table Tennis in Urban Park.
- Beach Volleyball in Green Park
- Rugby in Club Atlético San Isidro, La Boca.

Advanced Format

It is aimed for high-leveled young local athletes (Male and Female) that are invited to use the field of play and practice their sport in a Youth Olympic Games setting. Sport Climbing, Skateboarding, BMX Free Style and Roller Free Style will take place under this format only in Urban Park.

Sport showcasing

Sports showcasing has been a feature of the YOG since Nanjing 2014 Sports Lab. After a proposal from BAYOGOC approved by the IOC Coordination Commission, Polo and Squash will be part of the Showcasing Programme in Buenos Aires 2018.

The sport showcasing activities are run by the respective recognized International Federations and there is no involvement from the NOCs in the staging or preparation of these activities including financial support for the performers. Invited by the IFs directly in liaison with their National Federations (NF), a limited number of young performers will display their sport but will not compete. BAYOGOC and both IFs are collaborating to define on the exact format of the show and on the invitation process for the performers.

Polo will be shown in Campo Argentino de Polo and Squash will take place in Tecnópolis Park.

Local Youth Sport Event

This massive event is designed for families that will have the possibility to enjoy Roller Sports and Cycling on the City of Buenos Aires. Cycling (Criterium) Field of Play will be the scenario to do a social and fun activity in a healthy and sporting environment in Green Park.
