Proposed plan for the health security of the Asian Olympic Qualifying Tournament, Almaty, 09-11.04.2021 and Senior Asian Championships, Almaty, 13-18.04.2021

1. Obligations of a national team management

- Negative PCR test on Covid 19 no older than 72 hours before the arrival to the events. Submit the document immediately upon arrival at the airport.
- ***Upon arrival teams will get tested for rapid antigen test at the hotel. Please, note that in case of a positive result you will get tested for PCR test as well***
- Teams must arrive to Almaty, Kazakhstan no later than **7th April 17:00** by Almaty time in order to receive the results of the 1st PCR test for the organizing committee before the start of the events program.
- Provide a sufficient amount of protective masks for each member of the delegation. Wearing a mask is mandatory for all participants of the events except for training and fights.
- Due to the pandemic situation teams have to purchase ***refundable tickets only***.
- Each team is required to appoint a COVID-19 officer. The Kazakhstan Wrestling Federation strongly recommends other national federations to appoint their team doctor as a COVID-19 officer.
- Each team must provide a Declaration of honor for each person upon arrival.
- In case of any problems with participants that may raise the suspicion of Covid-19 infection, the team leader has to immediately report to the Organizer for examination by an infectologist.

2. Transportation of participants

- Transportation of participants will be done by special buses. Buses will be disinfected twice a day: after taking the competitors to the gym and after the end of daily obligations.
- Only accredited participants of the events can use the transport. Participants must wear face masks in the transport.

3. Accreditation

- Accreditation of participants will be performed at the appropriate accreditation office, according to the established schedule.
- Hand sanitizers will be provided.
- The organizer will try to have only one national team present during the accreditation.

4. Accommodation

- All participants will be accommodated in the appropriate hotel rooms.
- The diet of the competitors will be designed to meet the physical, religious and other needs as provided by UWW regulations.
- There will be hand sanitizers at the entrance to the restaurant.
- The dining tables will be arranged so that there is the necessary distance between the

guests

5. Training process

- The training process will take place according to the plan of the National teams in specially designated training area.
- wrestlers, their coaches and accompanying medical staff can enter the wrestling mat.
- Before entering the wrestling mat, be sure to pass the appropriate disinfection barrier for shoes and hands. It will be placed at the entrance to the training room.

6. Medical examination of competitors

- The medical examination of the competitors will be performed by certain doctors separately for each category that is planned on that day. In addition to the examination prescribed by the UWW regulations, body temperature is also measured.
- Every day before the weigh-in, the COVID-19 team officer submits a list of the health status of the team members (athletes, coaches, doctors, massage therapists, etc.).

7. Medical care

- Medical care is performed according to the UWW Medical Regulations.
- One doctor will be present at each wrestling mat.
- Each team should have the appropriate medical equipment to provide the necessary assistance.
- Each medical worker will wear an appropriate protective mask, and when providing the necessary help to the competitors, they has to wear special gloves that must be disposed of after a use.
- The resuscitation team will be located next to the field of play with all the necessary equipment for resuscitation procedures as well as the means for transporting the injured competitors to the appropriate medical institution.
- A doctor and a medical technician will be present in the ambulances located within the competition facility, who will provide the necessary medical assistance to other participants in the competition.
- In front of the competition hall, 2 ambulances will be parked, and will transport any injured to the appropriate medical institutions if necessary.
- All the medical expenses related to COVID-19:

For licensees - are explained on the following link:
<https://unitedworldwrestling.org/governance/accidentillness-insurance-emergency>

For all participants not licensed by UWW all the expenses related to COVID-19 issue (tests, treatments, isolation, quarantine, hospital, etc) must be covered by the Federation of the participant.

8. Hygiene of the wrestling mats

- All competitors have to pass the disinfection barrier for footwear before entering the wrestling mat, within which they will also need material for wiping shoes from moisture, as well as hand disinfection.
- If the awarding ceremonies are performed on the mat, it is necessary to protect it with

appropriate covers, which are removed after the end of the competition and the mat is disinfected again.

9. Anti-doping control

- Anti-doping control takes place according to WADA rules.

10. Behavior of participants during the events.

- It is necessary to adhere to basic preventive medical measures such as social distance, wearing clean masks and hand disinfection.
- Contact between participants in the competition should be reduced, except necessary ones.
- Handshakes with the opponent's coach, other participants are prohibited
- It is prohibited to leave the “Sanitary Bubble”, which includes venue, training area and hotel only.

11. PCR test

- A control PCR check on Covid-19 will be done after the end of the competition for each team.
- Teams must send the number of people who will need PCR test for entering their home country *before the arrival to Kazakhstan.*
