# SANITARY PROTOCOL

## World Pankration Championships

### Cadets, Juniors and Senior

#### 14 -19 November 2021 Kharkiv, Ukraine

The health protection measures for all wrestling championships that take place under the auspices of the UWW are planned and implemented in accordance with the provisions of the Medical Regulations of the UWW. The COVID-19 pandemic, in addition to the usual measures, also imposes the need for new measures and activities.

During the championship all safety rules will be applied with the recommendation and sanitary protocol confirmed of the Government of Ukraine.

Wearing the masks is obligatory in public area.

#### **1. Accreditation.**

All participants shall present at accreditation a certificate of negative PCR test to SARS-CoV-2 not older than 72 hours at the time of entry into the Ukraine.

The organizer on their expenses will conduct antigen rapid test before the accreditation immediately upon arrival. Upon receiving a negative test result, participants shall be referred to an accreditation point.

Participants tested positive for the rapid antigen test, shall be isolated in separate rooms, and additionally tested for SARS-CoV-2 using PCR test on cost of his/her National Federation (the price of PCR test is EUR 80). A positive result leads to disqualification from the competitions.

#### **2. Transport & accommodation**

The participants shall be accommodated in the hotels approved by the Organizer even they found their own locations and obligated to:

The temperature control will be organized in all accommodation locations.

Transport will be able for all accommodation locations and shall include special vehicles intended exclusively for the participants.

The participants shall restrict their movement to getting from the hotels to competition hall and vice versa.

The hotels are obliged to prepare a special place - an isolation room for each person participating in the tournament with symptoms of infection and to take appropriate epidemiological measures.

The organizer provides transport for participants from the hotel to competition venue and back in accordance with the applicable limits for means of transport in our country

Each independent violation of these measures causes automatic disqualification.

All locations (transports, hotels, training place, competition hall, etc.) will be regularly disinfected.

### **3. Competition area & Participants obligation**

Each participant entering in the competition is obligated to:

- submit the body to control temperature,
  - hand disinfected,
  - pass a disinfection barrier when entering to the mat,
1. The competition will be held without spectators.
  2. There are warm-up and competition area in venue. Before entering and living area participants are obliged to carry out disinfection.
  3. The organizer is responsible for the disinfection of changing rooms and sanitary facilities.
  4. The organizer provides protective gloves and beavers for hellanodikis.
  5. The organizer provides hand sanitizers and face masks.
  6. At the entrance to venue an automatic measurement of body temperature will be carried out.

### **4. Final provision.**

For all participants (athletes, coaches, referees, staff, etc.) are forbidden to shake hands with each other.

PCR tests before departure shall be performed for those participants who will request it during accreditation for their expenses (the price of PCR test is EUR 80).
