e-mail: CRO@unitedworldwrestling.org

### 3.1.1.2. ACCREDITATIONS

Accreditation will NOT be performed at the competition site!

The accreditation and registration area will be available only to those who change categories or have lost their existing accreditation.

Rooms in official hotels will be provided for all competitors, and people who train together or are members of the same family will be accommodated together in the room.

A special room will be provided in the hotel where meals will be served, in order to avoid contact with other hotel guests. The service will be conducted in accordance with local guidelines for the purpose of preventing the spread of virus infection.

Competitors are provided with a separate entrance to the hall where their body temperature will be measured. The movement around the hall takes place in special one-way corridors, which avoids close contact and establishes a certain physical distance. It will not be possible to use locker rooms, lockers and showers in the hall. Only the use of sanitary facilities will be allowed.

It is necessary to have an identification document in the hall for the purposes of conducting doping control. No close contact is allowed in the hall after the competition, and this refers to shaking hands, hugging or kissing for the purpose of celebrating the results of the performance. The ceremony of announcing the winners will take place immediately after the final fights of certain categories. All categories will take place according to a predetermined schedule. Award winners as well as athletes are required to use masks during the ceremony. The ceremony will take place without a handshake.

Training in the hall will be allowed according to the schedule that will be announced upon completion of applications at the place provided and also subsequently announced. It will not be possible to use the locker room during the training, but it will be possible to use the toilet.

The statements of the athletes in the mix zone after the competition will take place along the barrier and at a distance from the journalist in charge, and other members of the media will follow the statement live. Live streaming will be possible throughout the competition via YouTube, social networks or dedicated channels that will be defined in advance by the organizer.

### 3.1.2. Referees / delegates / organizers / technical service

Participants in this sector are considered to be all those who are within the competition zone.

**HRVATSKI HRVAČKI SAVEZ**  
**CROATIAN WRESTLING FEDERATION**  
10000 Zagreb, Ulica grada Gospića br. 1 (ŠSD "Peščenica")  
e-mail: CRO@unitedworldwrestling.org

Referees, delegates, organizers as well as the technical service should also restrict their movement in the hall, avoid approaching competitors wherever possible and have their chosen place to stand and sit.

After each category, the mat should be wiped and sprayed with disinfectant.

Persons in charge of collecting, transporting and returning the equipment should clean their hands with disinfectant or use disposable gloves and throw them away after handling the equipment.

There will be 1 volunteer available at each mat to disinfect.

### 3.1.3. Medical procedures (warm-up and training places)

All must be considered potentially contagious; therefore, athletes and medical staff are required to wear protective equipment at all times. A handwashing and disinfection protocol will be implemented upon entering and exiting these rooms and between each intervention by the medical staff.

Persons accompanying competitors are prohibited from entering the medical premises. Except in emergencies, athletes should make an appointment for all medical interventions.

Establishment of a register of entries and exits from medical premises is the responsibility of the Chief Physician of the competition.

### 3.1.6. Volunteers

Volunteers are required to adhere to measures to prevent the spread of infection at all locations where they are deployed. Disinfection of mats and equipment is done so as not to disturb the athletes and does not come in their immediate vicinity. It is necessary to take care not to enter the zone of movement of the athlete.

## 3.2. Other participants in the organization who are outside of the competition zone

### 3.2.1. Indoors Employees

Competition staff were deployed in multiple smaller groups and multiple rooms to reduce the risk of infection transmission. They are obliged to wear protective masks throughout their stay in front of the hall and to disinfect their hands when entering and leaving the room where they work, and to measure the temperatures when entering the common areas.

Employees must not be in contact with athletes in front of the indoor area.

The joint meetings necessary for the implementation of the competition will be held outdoors with the obligatory wearing of protective masks.

Employees of the competition are considered to be all persons who are connected with the organizer through employment, employment contract, student contract or as volunteers, and stay in front of the hall.

### 3.2.2. Transport service / official drivers

The organizer will provide a welcome point at the official Zagreb airport for competitors who take accommodation through the organizer where the competitors will arrive, their escort and officials, officials and professionals who do not reside in the host city.

Accredited persons from the airport will be transported directly to the hotel by car or bus where all passengers and drivers will wear face masks and sit respecting the rule on mutual physical distance prescribed by the local authority with a recommendation of 1.5 to 2 meters.

For participants who will be accommodated in an official hotel away from the competition venue, a shuttle service will be provided according to a predetermined schedule and predefined names of competitors and other participants.

The number of photographers in the hall will be limited and reduced to a minimum (no more than 3 people). Their movement through the hall should follow the same one-way path as other accredited persons.

#### 3.2.5. Security service

Security guards will be deployed in the movement zones.

#### 3.2.6. Logistics / acceptance of goods

Acceptance of goods that are necessary for the organization of the competition will be done in the open space in front of the hall. All participants and partners who must deliver their equipment should adhere to the schedule of delivery and collection of goods.

Official accreditations are in the name of the person and are considered an official identification document!

#### 3.2.7. Food service

Food serving services in the hall will be in accordance with the prescribed measures of the competent authorities for this type of activity. All accredited persons and with a license to perform this activity will provide the organizer with information on employees who will work as part of the organization of the competition.

#### 3.2.8. Official accommodation

All accredited persons should strictly adhere to the hotel's rules on physical distance and all other measures to prevent the spread of the COVID-19 disease epidemic.

It is mandatory to disinfect hands and measure the temperature when entering the restaurant. A special room will be provided in the hotel where meals will be served to competitors to avoid interaction with other guests in the hotel. The distribution of food will be done in accordance with the rules and measures to prevent the spread of infection. Staying in the restaurant should be short.

Athletes are not recommended to stay and move in the lobby, restaurant and other rooms of the facilities in which they will be accommodated.

#### 3.2.9. Audience
